PCS Friction

Concentrated Natural Organic Multi Purpose Cleaner

See and Feel the Difference Friction makes

Description:
Concentrated Multi Surface Cleaner, which improves cleaning results by adding friction when you wipe, surfaces dry.

Uses:
Use to clean frequently touched surfaces in health care facilities, schools, and institutions and around the house.

Use to clean glass shower doors, stainless steel, chrome, bathroom and most frequently touched surfaces.

Directions for use:
Dilute 4 oz /120mL per 4 L of water in bucket

Apply to surfaces and wipe surfaces completely dry with clean dry absorbent cloth, paper towel or PCS microfibre cloth.

Safe to use on most surfaces not damaged by water and detergents. If in doubt test before use.

A sustainable cleaning solution helping to maintain a cleaner environment.
